|--|----|
| I have previously been on exchange via Uppsala University | No |
| I have previously received an Erasmus Scholarship | No |

Campus

| | |
|---|----------------|
| Please choose your home campus at Uppsala University | Campus Uppsala |
|---|----------------|

UNIVERSITY SELECTION

| | |
|-----------------------------------|---------|
| Academic year | 2021/22 |
| Age at time of application | 22 |

Priority(1)

| | |
|---|--|
| Start semester | Autumn Semester 2021/22 |
| Number of semesters | 2 |
| Framework | Erasmus SMS |
| Country | United Kingdom |
| Institution | University of Edinburgh |
| Stay opportunity | Erasmus SMS - University of Edinburgh - University-wide - All fields |
| Intended level of study at this university | Undergraduate / Bachelor |
| Intended study area | Economics |
| Course proposal for 1 full semester, matching the level you have indicated above | Economics 1 full year(ECNM08013), credits 20 Introduction to Vision and Robotics (INFR09019), credits 10 Blockchains and Distributed Ledgers (INFR11144), credits 10 Fundamentals of Programming for Business Application, BUST08039, credits 20 |

Priority(2)

| | |
|----------------------------|-------------------------|
| Start semester | Autumn Semester 2021/22 |
| Number of semesters | 2 |
| Framework | Erasmus SMS |
| Country | United Kingdom |
| Institution | University of Reading |

| | |
|---|--|
| Stay opportunity | Erasmus SMS - University of Reading - University-wide - All fields of study |
| Intended level of study at this university | Undergraduate / Bachelor |
| Intended study area | Economics |
| Course proposal for 1 full semester, matching the level you have indicated above | EC113,Introductory Microeconomics, credits 10 CS3IA16-Image Analysis, credits 5 CSMDM16-Data Analytics and Mining, credits 5 CSMCC16-Cloud Computing, credits 5 CS2QT19-Software Engineering: Quality and Testing, credits 5 |

Priority(3)

| | |
|---|--|
| Start semester | Autumn Semester 2021/22 |
| Number of semesters | 2 |
| Framework | Erasmus SMS |
| Country | Ireland |
| Institution | National University of Ireland, Galway |
| Stay opportunity | Erasmus SMS - National University of Ireland, Galway - University-wide - All fields of study |
| Intended level of study at this university | Undergraduate / Bachelor |
| Intended study area | Economics |
| Course proposal for 1 full semester, matching the level you have indicated above | EC139 Principles of Microeconomics, 5 credits EC2100 Applied Microeconomics for Business, 5 credits EC3101 Microeconomics and Public Policy, 5 credits CT318 Human Computer Interaction, 5 credits CT4100 Information Retrieval, 5 credits CT404 Graphics & Image Process, 5 credits |

Priority(4)

| | |
|---|---|
| Start semester | Autumn Semester 2021/22 |
| Number of semesters | 2 |
| Framework | University-wide |
| Country | Korea, Republic of |
| Institution | Yonsei University |
| Stay opportunity | General university-wide exchange - Yonsei University - All fields of study |
| Intended level of study at this university | Undergraduate / Bachelor |
| Intended study area | Economics |
| Course proposal for 1 full semester, matching the level you have indicated above | Principles of microeconomics, ECO1103, credits 3 Principles of macroeconomics, ECO1104, credits 3 MACROECONOMICS,ECO2101, credits 3 MICROECONOMICS,ECO2102, credits 3 KOREAN ECONOMY,ECO3112, credits 3 |

Priority(5)

| | |
|----------------------------|---|
| Start semester | Autumn Semester 2021/22 |
| Number of semesters | 2 |
| Framework | University-wide |
| Country | Korea, Republic of |
| Institution | Korea University |
| Stay opportunity | General university-wide exchange - Korea University - All fields of study |

| | |
|---|--|
| Intended level of study at this university | Undergraduate / Bachelor |
| Intended study area | Economics |
| Course proposal for 1 full semester, matching the level you have indicated above | BUSS328, MACROECONOMICS AND THE GLOBAL BUSINESS ENVIRONMENT(English), credits 3 ECON171,PRINCIPLES OF ECONOMICS II(English), credits 3 ECON201,MICROECONOMICS(English), credits 3 ECON202, MACROECONOMICS(English), credits 3 ECON240,ECONOMICS OF INDUSTRIAL ORGANIZATION(English), credits 3 |
| Priority(6) | |

| | |
|---|---|
| Start semester | Autumn Semester 2021/22 |
| Number of semesters | 2 |
| Framework | University-wide |
| Country | Singapore |
| Institution | National University of Singapore |
| Stay opportunity | General university-wide exchange - National University of Singapore - All fields of study |
| Intended level of study at this university | Undergraduate / Bachelor |
| Intended study area | Economics |
| Course proposal for 1 full semester, matching the level you have indicated above | EC1301 Principles of Economics, credits 4 EC2101 Microeconomic Analysis I, credits 4 EC2101 Microeconomic Analysis I, credits 4 BMA5011 Macroeconomics in the Global Economy, credits 4 BMS5105 Big Data and Business Strategy, credits 4 |

Additional information

| | |
|--|--------------------------------------|
| If we cannot place you at one of your choices above, would you be interested in other universities? | |
| Are any of your choices above for two semesters? | Yes |
| For me it is important to prioritise | Lower ranked choice with 2 semesters |
